20th May 2026

Dear Parents, Carers, and Staff,

I am writing to you following the closure of our Cradoc Campus. We understand that this news may feel unsettling and upsetting for many of our children, as well as for you as families and for our dedicated staff.

Our school is a place where children feel safe, happy, and supported—a place full of friendships, laughter, and learning. We know that for children especially, changes like this can feel confusing, and they may have lots of questions or worries. Please be assured that we are here to help guide them, and you, through this transition with care and compassion.

The wellbeing of our pupils is our absolute priority. We are working closely with local partners to ensure that arrangements are put in place so that every child continues to feel supported in their learning and development. We will share clear information with you as soon as possible about next steps and what this will look like for your child.

We also recognise that this situation affects everyone differently. If your child is feeling anxious or unsettled, we encourage you to talk with them openly and reassure them. School staff remain available to offer advice and support, and we are here for you if you need guidance.

For our staff, we know how deeply you care for the children and families you serve, and we are committed to supporting you during this time both professionally and personally.

During times of change, the strength of our community is more important than ever. We encourage everyone to continue showing kindness, patience, and understanding as we all adjust together.

We are incredibly proud of our children, our families, and our staff. Thank you for your resilience, your support for one another, and for helping to maintain the caring spirit that makes our school so special.

If you have any immediate concerns or need support, please do not hesitate to get in touch.

Mrs S Court & Mr D Meredith

Headteacher & Chair of Governors
